## 2.Information for Ratepayers

Your rate notice shows the differential general rate category to which your property belongs. Section 90 of the *Local Government Regulation 2012* (Qld) provides that an owner may object to the categorisation of their property on the sole ground that the land should have been included in another rating category.

The notice of objection must:

- Be given within 30 days after the date of issue of the rate notice, and
- Be in the form approved by the local government (this application form), and
- Nominate the rating category in which the owner believes the land should be included, and
- Specify the facts to support the ratepayers claim.

Prior to making this objection, ratepayers should refer to the Gympie Regional Council Rating Category Statement attached. This includes both the general and specific criteria by which land is categorised. Please note that Section 88 of the *Local Government Regulation* 2012 (Qld) provides the making of an objection, or the starting of an appeal, does not defer the liability to pay rates by the due date. Should an objection be upheld, an adjustment will be issued.
