Definitions. As per Construction of Roads on Road Reserve Policy (ISP017), Classification of Roads Policy (PRW019), Council Minute W30/06/11, and the Local Government Regulation 2012

Road - a road is an area that is open to or used by the public and is developed for, or has as one of its primary uses, the driving or riding of motor vehicles (cars, bikes, motor homes, etc.). It does not have to be within road reserve.

Maintained Road - a road or section of road for which Council accepts an obligation to maintain to a certain standard of safety and amenity. This Road Register lists these roads and their maintained lengths.

- Formed - a road, other than a gravelled pavement or sealed pavement road, formed so that stormwater drains from the road.
- Gravel - a road pavement constructed with gravel, limestone or rubble and constructed by the use of a mechanical compaction process.
- Sealed - a road pavement surfaced with asphalt, bitumen, concrete or pavers.

4WD Road - a category of maintained road with a reduced frequency of inspection and a lesser standard of amenity than a maintained road.

Unmaintained Road - a road or section of road that does not have a maintained length. Many unmaintained roads have approved names, but this does not signify any Council obligation to build or maintain the road.

Safety - a measure of the reasonable likelihood of a crash not occurring on a road.

Amenity - a measure of the pleasantness of driving on a road.

Compiled Date - the date when this Road Register data was summarised.

This Road Register was adopted by Council Minute M15/10/20.

Road Register information is produced in accordance with the requirements of the Local Government Act 2009, and the Local Government Regulation 2012. Please note that the accuracy of the information hereon is the best available and contains information Gympie Regional Council considers relevant for its purpose. No liability is accepted by Gympie Regional Council for any error or omission or loss incurred by reliance being placed on the information contained hereon. All roads other than those listed as Maintained or 4WD only are not maintained roads.
