

Tamaree Road, Tamaree – Road Widening and Overlay

Summary

Council is committed to improving the road network across the region. With the assistance of the Department of Transport and Main Roads, through the Bruce Highway Upgrade - Cooroy to Curra, Section D project, funding has been allocated to improve the safety and functionality of Tamaree Road, Tamaree.

Works Proposed

The project will widen a 2.1km section of Tamaree Road, from Old Maryborough Road to Bannister Road, to an 8.0 metre wide, two lane sealed standard. The project will include improvements to the intersections of Ces Rivers Road, Snow Court and Nash Road.

The work will include:

- vegetation clearing and earthworks
- roadside drainage
- road reconstruction works
- road pavement widening
- road pavement granular overlay
- intersection improvements
- reinstatement of existing property accesses
- bitumen sealing, and
- rehabilitation of the works site.

Council endeavours to minimise disturbance of established vegetation on its projects where possible.

Traffic Management

During construction property accesses may be affected for short durations. The construction crew will endeavour to minimise disruptions. Your patience during construction is appreciated. Traffic management measures will be in place to ensure the safety of pedestrians and motorists.

Timing

Construction is programmed to commence in July 2022.
