Objections to categorisation

You can object to the categorisation of your property on the sole ground that the land should have been included in another rating category.

Objections must be lodged within 30 days of the issue of this rates notice. To make an objection, visit gympie.qld.gov.au/rates and complete the Objection to Rate Categorisation Form.

Please note the making of an objection, or the starting of an appeal, does not defer the liability to pay rates by the due date. Should an objection be upheld, an adjustment will be issued.
