

CBD Tree Works

Gympie Regional Council will be conducting standard tree maintenance of all trees throughout Mary and Smithfield Street. To reduce disturbance, the works will be carried out over the following days.

- **Sunday, 14 July:** Monkland to Smithfield Street
- **Sunday, 21 July:** Smithfield Street to Fiveways Roundabout

Works will commence each day from 8am.

Type of works

Council will be undertaking standard pruning maintenance on all trees in Mary and Smithfield Street to address tree structure, size and to reduce overhang on nearby buildings.

Additionally, three trees will be removed:

- Leopard tree located near Memorial Lane, severely damaged during a building fire.
- Yellow Flame Tree near Cullinane's Plaza, has structural issues that pose a concern for public safety.
- Weeping Lilly Pilly near Queenslander Hotel, severely damaged by a truck.

The three trees identified for removal will be replaced with suitable species in the coming months that will continue to uphold the aesthetics of the street.

No other trees are identified for removal as part of these works.

Road closure information

Pedestrian access will be maintained throughout Mary and Smithfield Street during the course of these works.

Road closures will occur between 7am - 3.30pm with detours in place. Based on the schedule above.

We appreciate your patience and understanding during the works. If you have any questions or concerns, please contact Gympie Regional Council on 1300 307 800.
